### About the programme

Beside the Seaside is one of our 'Wonder of the World' or 'WOW' programmes, designed to give KS1 and KS2 children a taste of the world of work and careers.

This flexible programme can be tailored to suit your school and can include visits to a working dairy farm, an ice cream parlour and the coast.

Packed with challenges for your KS1 or KS2 learners focussing on teamwork, self-confidence and problem solving, your pupils can be welcomed to two businesses. During the programme, pupils can look at the process of milking, pasteurising and packaging milk and share in the process of making ice cream, marketing products and running a business.

### Background

All of our 'Wonder of the World' or 'WOW' programmes for Key Stage 1 and 2 learners have been developed in response to the Local Enterprise Partnership industry growth areas.

We partner with local businesses to deliver exciting and engaging programmes to link National Curriculum learning to real life experiences with genuine issues that businesses face.
