About the programme

Wrap Up Warm is one of our 'Wonder of the World' or 'WOW' programmes, designed to give KS1 and KS2 children a taste of the world of work and careers. This programme can include a visit to a wildlife park and a project which links to exciting, educational experiences across the curriculum. Wrap Up Warm helps to link education and life, demystify the world of work and ensure children have an exciting, purposeful activity to participate in.

Each of our 'WOW' programmes can be tailored to individual schools and cohorts. Our programmes are focussed on children being supported and challenged through inspiring activities and working towards innovative solutions whilst developing their teamwork, self-confidence and problem solving and also developing key industry sector skills and knowledge.

Background

All of our 'Wonder of the World' or 'WOW' programmes for Key Stage 1 and 2 learners have been developed in response to the Local Enterprise Partnership industry growth areas.

We partner with local businesses to deliver exciting and engaging programmes to link National Curriculum learning to real life experiences with genuine issues that businesses face.

Focus areas

- To meet and enrich the National Curriculum.
- Business awareness and experience.
- To explore attitudes towards future employment.
- To participate in team challenges.
- Problem solving and application of design skills.

Programme aims

- To meet and exceed National Curriculum objectives.
- To gain meaningful first encounters with employers.
- To develop transferable skills and a positive attitude which will support later life.
- To participate in team challenges with a real life purpose.
- To develop problem solving skills and apply innovative design skills to set challenges.
- To develop self-awareness and confidence.
